Dear parents

At the recent P & F meeting, one of the Agenda items was the Canteen; primarily a general discussion on the menu. It was decided to conduct a survey of all families to gain a wider and more informed perspective of our families needs and wants in our Canteen. We wish to provide a service to families with consideration to all of family convenience, best cost and students’ health.

To give you a general outline, the School employs a Canteen Manager for some hours of the weeks the school is open, however the current Canteen Manager also volunteers some hours per week. The Canteen Manager is also on the Canteen Committee along with the Finance Officer, the Principal and some parents. The results of the survey below will be provided to the Canteen Committee for their consideration when compiling and/or reviewing the price list and menu.

Please return this form to the school office by 16th March. All families are urged to provide us with comments as no further survey will be conducted this year – this is your chance to have your say.

Thankyou.
