ATTENTION FARMERS, GROWERS AND GRAIN BROKERS

We have joined forces with the CBH Group so our club can be paid $0.20c for every tonne of grain nominated to CBH during the 2015-16 harvest - and we need your help!

How does it work?
In February 2016, CBH will tally up the number of tonnes nominated to them on contracts with our unique reference code. They will then donate twenty cents per tonne to our club as a 2016 Sponsor.

Who can participate?
Any Nationally Registered Grower who sells grain and is associated with our club.

How can I participate?
When contracting with the CBH Regional Manager or the CBH Grower Service Centre, you must quote the club name and unique code below.

**CLUB:** District Council of Loxton Waikerie
**UNIQUE CODE:** PR15LWD
